Thank you for sharing the concern. We have talked with Coach Ferreri and looked at video from the school (outside of locker rooms). There is no evidence of indiscretion. Anna (and another player) met with Coach Poore and Coach Ferreri this afternoon to discuss softball player concerns, but also confirmed with Coach Ferreri that he was only in the locker room to have them choose lockers and left directly after that occurred. Players were not changing during this time and it was an effort to give the girls their locker room. Please confirm this as well with Anna.
